- "getting along" skills.

- *Structured activities that are enjoyable whilst the students develop new skills.

Each course is custom designed to suit the children involved. As a result of participation in this course parents will have the option of undertaking a full Starjump Assessment which will provide information and a written report detailing your child's strengths and challenges. A discount on this assessment of 15% (ex GST) applies for all Stepping Stones participants. Full details of the Starjump Assessment can be viewed at www.australiangiftedsupport.com
