## Visual Spatial Picture Thinking & Literacy Learning

**READING WRITING SPELLING THE VSL WAY**

**Do you have a child who:**

- Writes words correctly in a spelling test but incorrectly when writing?
- Cannot hear the different vowel sounds in words?
- Doesn't understand how sentences are structured?
- Has difficulty learning the name and sound of letters?
- Has below standard reading or comprehension?
- Cannot correctly form letters of the alphabet?
- Struggles to organize thoughts when writing?
- Sits blankly when asked to write something?
- Forgets words already learned?
- Has trouble learning phonics?
- Avoids most writing tasks?
- Does not enjoy reading?
- Can't write with ease?

Is losing confidence at school?

**Then this webinar is for you.**

**Registration - Cost \$30 USD - Duration 1 hour starting at 7.30pm. Click on the link here to register for this event:**
